Abstract submission for the 12th World Congress on Endometriosis is now open. WCE2014 is based on presentations by delegates (rather than invited speakers), and is an opportunity for YOU to share YOUR work with your global colleagues  
[>> submit your abstract by 7 October 2013...](#)

## Lack of Transparency of Clinical Trials on Endometriosis

See [the study by Guo and Evers](#) at the bottom of the page.

Abstracts for the 12th World Congress on Endometriosis (WCE2014) are now open for submission. The deadline for abstract submission is 7 October 2013. Abstracts should be submitted to the WCE2014 Secretariat, c/o Endometriosis Society, 100, The Quadrant, London W1 8DB, UK. For more information, please visit the WCE2014 website: [http://www.wce2014.org](#). Abstracts should be submitted in English. Abstracts should be submitted in PDF format. Abstracts should be submitted to the WCE2014 Secretariat, c/o Endometriosis Society, 100, The Quadrant, London W1 8DB, UK. For more information, please visit the WCE2014 website: [http://www.wce2014.org](#).

## Is there transparency in clinical trials?

Professors Guo and Evers contribute with a critical review of whether results from clinical trials in endometriosis are actually published? They call for greater transparency in drug trials to benefit women with endometriosis - and future research
